- **Training Courses:** 'packaged' programs, usually available on-line, and are usually costed at a certain dollar amount per participant;
- **Training Events:** One-off programs, often made available locally or regionally, where there is a fee for a facilitator, elders and/or other trainers etc., as well as possible fees for a venue and/or food. In order to maximize the opportunities for actual training time applicants are encouraged to use their own space and/or free or low-cost local space rather than expensive commercial spaces;
- **Other:** If you have a program that does not meet these two training formats please provide a detailed program description, responding to all the required fields. Development of training content would be included in this third, 'other' category.

Brain Injury Alliance funding may not be used to fund clients or programs who are funded by, or operate strictly on, a fee for service basis. Fee-for-service term applies to mandatory, voluntary, or requested fees that a user pays for services provided.

Completed report forms must be submitted no later than midnight July 15, 2025

(For training from October 1, 2024 through June 30, 2025)

Email completed report form to contact@braininjuryalliance.ca

We gratefully acknowledge financial assistance from the Province of British Columbia
